## ReThinking Water

### **Commercial Session : Site Design to Manage Stormwater Naturally**

- 01- Steve Fancher
- 02-Mike Abbatè
- 03-John Gray
- 04-Steve Murray

### **Commercial Session : Rainwater Harvesting**

- 05-Pat Lando-Commercial
- 06-Pat Lando Residential
- 07-Anthony Roy
- 08-Tom Liptan-Ecoroofs

### **Commercial Session : Water Conservation in Buildings**

- 09-Jim Doane

### **Residential Session : Managing & Using Water in Homes**

- 10-Chris Webb
- 11-Amy Jones

### **Commercial Session : Artful Use of Water In and Around Buildings**

- 12-Rich Mitchell
- 13-Mike O'Brien

### **Residential Session : Managing & Using Water in Homes**

- 14-Mary Wahl & Gil Kelley

## ReThinking Energy

### **Lecture: A Renewable Energy Future for the US**

- 15-Donald Aitken

### **Commercial Session : Optimizing Natural Ventilation**

- 16-Ian Theaker & Paul Schwer

### **Residential Sessions :**

#### Designing, Building & Remodeling a Low-Energy House

- 17-Low E House
- 18-Home E Use
- 19-Low E Case Studies

### **Commercial Session : Integrating On-Site Green Power**

- 20-Dave Tooze
- 21-Chris Dymond-Zero Net Energy House (ZNEH)

### **Commercial Session : Integrated Design for High Performance Buildings**

- 22-Mike Hatten

## ReThinking Building Materials

### **Commercial Session :** Impacts of Materials Through Life Cycle Analysis

23-Peter Reppe

24-Reppe Blanchard- Life Cycle Analysis of a Home

25-Rita Schenk

26-LEED & Life Cycle Analysis.pdf

27-Johanna Sands

28-BEES-Materials Assessment

29-Joe Thornton-Imacts PVC

30-Judith Helfand-Film: BLUE VINYL Summary

31-Blue Vinyl Toolkit

32-Blue Vinyl Report from the Road

33-Healthy Building Network News / 34-PVC in Buildings

### **Commercial Session :** The Next Asbestos?

Selecting Healthy & Ecologically Sound Materials

35-Elaine Aye

36-Logan Cravens

### **Residential Session :** Using Wood Eco-logically

37-Terry Campbell (Certified Wood and Paper Association)

### **Commercial Session :**

Doing More with Less - Maximizing Materials Efficiency

38-Jeff Stuhr

39-John Echlin

40-Mike Prothe-Advanced Framing

### **Commercial Session :** Minimizing Construction Waste

41-Tom Mueller

42-Ann Schussler

43-Brian McVay

## ReThinking Economics

### **Commercial Session :** The Business Case for Productivity

44-Judith Heerwaagen

### **Residential Session :** Beyond A Niche:

Greening the Residential Construction Industry

45-Tom Kelley

### **Commercial Session :** City of Seattle's New Math

46-Lucia Athens & Tom Paladino

### **Commercial Session :**

LEED & the Private Sector - Making the Economic Case

47-Ray Cole
